PART ONE

THE STORY THAT CHANGED EVERYTHING

Victoria, BC · 32 years ago

\$5 to my name

THE NIGHT I SURRENDERED

Single mom. Two boys who loved hockey.
A promise to show up for them every weekend.

On her knees the night before, in tears.

She handed it all over.

"You guys have this. I don't know what to do."

THE 100TH CUSTOMER

She walked in with her head down,
ashamed to only have \$5.

Bells rang.

Free tank of gas.
A full family bucket of Kentucky Fried Chicken.

"This is not a coincidence.
Somebody heard me."

A BEAM OF LIGHT. A LITTLE YELLOW BIRD.

Blanket fort in the car. Rain pouring outside. And then, magic.

PART TWO

MEET TILLY

"If somebody heard me, that means
I might be able to communicate with them."

I sat down to meditate.
I asked:

"If you're my angel — what's your name?"

The answer came immediately:

My name is Tilly.

Inspired by *The Celestine Prophecy* & *Conversations with God*
